[APPLICATION] Incremental non-chronological **synchronization** of **namespaces**
US Pat. 10669866 - Filed Sep 24, 2003
... 707/201 (57) ABSTRACT Described are mechanisms and techniques for enabling
incremental non-chronological **synchronization of namespaces**. ...

[APPLICATION] Method and system for attribute management in a namespace
US Pat. 10323874 - Filed Dec 18, 2002 - BeComm Corporation
In such case, the namespace may be out of **synchronization**. ... To synchronize
the **namespaces**, the namespace system may rerun the query specification against
...

[APPLICATION] Method and system for attribute management in a namespace
US Pat. 11589397 - Filed Aug 9, 2006
In such case, the namespace may be out of **synchronization**. Eventually, the user
may want to synchronize the **namespaces**. To synchronize the **namespaces**, ...

System for browsing a network resource book with tabs attached to pages
US Pat. 5500929 - Filed Aug 30, 1993 - Taligent, Inc.
In other words, the external section of directories includes **namespaces**, ...
Second, a heuristic algorithm can be employed to perform **synchronization**. ...

Method and apparatus for aggregating disparate **namespaces**
US Pat. 6061743 - Filed Feb 19, 1998 - Novell, Inc.
... of the **synchronization** process are rescheduled for a later **synchronization**
cycle. ... Preferably, both **namespaces** are hierarchial having a plurality of ...

[APPLICATION] Method and system for hierarchical namespace **synchronization**
US Pat. 11492552 - Filed Jul 25, 2006 - Invensys Systems, Inc.
... InSQL node public-group namespace is verified to be out of **synchronization**
with the model view in terms of objects ... runtime and the InSQL **namespaces**.
...

Enterprise management system and method which includes a common enterprise ...
US Pat. 6895586 - Filed Aug 30, 2000 - BMC Software
... the KM IDE may have seamless access to KM **namespaces** of development agents.
... This **synchronization** may be achieved by a KM sync module in the KM IDE. ...

Highly componentized system architecture with a demand-loading namespace and ...
US Pat. 7143421 - Filed Mar 31, 1999 - Microsoft Corporation
The timer interrupt and thread and **synchronization** modules call into the ...
times) of a system during development. Filesystems are also **namespaces**. ...

Highly componentized system architecture with object mutation
US Pat. 7159222 - Filed Mar 31, 1999 - Microsoft Corporation

US Pat. 5893116 - Filed Sep 30, 1996 - Novell, Inc.
An object, which was a **file** at the time of the last synchronization, has been
replaced ... RSE provides such a consistent **namespace** by maintaining complete,
...

Methods and apparatus for **synchronizing** access control in a web server
US Pat. 6519647 - Filed Jul 23, 1999 - Microsoft Corporation
That is, downstream **namespace** loca- 20 random access memories (RAMs); ... These
and other input above in connection with security settings for a **file** system ...

Method and apparatus for aggregating disparate namespaces
US Pat. 6061743 - Filed Feb 19, 1998 - Novell, Inc.
One suitable format for the **namespace** table is listed below: Value is: **Namespace**
name, **Namespace** class **file** The entry "Value is" is a run time instance or ...

[APPLICATION] Method and system of detecting **file** system **namespace** changes and restoring ...
US Pat. 11000180 - Filed Nov 30, 2004 - Microsoft Corporation
[0036] After the **file** system 235 services the I/O request, it passes the results
to ... This is sometimes referred to as **synchronizing** the **namespace** of the ...

Transaction aggregation in a switched **file** system
US Pat. 6889249 - Filed Jan 2, 2003 - Z-Force, Inc.
When a directory enumeration request is received, the aggregated **file** system
uses the **namespace** aggregation rules to determine which NAS arrays need to be
...

Methods and systems for **synchronizing** multiple computing devices
US Pat. 6725262 - Filed Apr 27, 2000 - Microsoft Corporation
There are typically multiple lists, one per **namespace** root per driver, eg FS:c:/
sub1, FS:c:/sub2, etc. There are typically hundreds of lists for the **file** ...

[APPLICATION] Fast and reliable synchronization of **file** system directories
US Pat. 11124739 - Filed May 9, 2005 - Microsoft Corporation
... (**synchronizing** two directories, A and B): Create new **file**/directory in A ...
a corresponding user **namespace** on a server (but may be subdirectories that ...

Method and apparatus for **synchronizing** upgrades in distributed network data ...
US Pat. 6212557 - Filed May 27, 1993 - Compaq Computer Corporation
Each client node has had to maintain a **file** identifying the location, ... A tree
of directories, starting at a root, is called a **namespace**. ...

Distributed systems with replicated files
US Pat. 5689706 - Filed Oct 10, 1996 - Lucent Technologies Inc.

Transaction synchronization in a disconnectable computer and network
US Pat. 5991771 - Filed Jul 3, 1997 - Novell, Inc.
31 be called whenever the **file** distributor 90 closes a modified local copy of
the ... to a **file** or directory return its name //in the specified **namespace**, ...

Name space registry with backward compatibility for older applications
US Pat. 5903753 - Filed Aug 18, 1995 - International Business Machines Corporation
SYS e e' **file** mentioned above stored in database 334, other files fc response to
a ... When large amounts of original **file** structure of the stored files **...**

[APPLICATION] Systems and methods for **synchronizing** computer systems through an ...
US Pat. 10889423 - Filed Jul 12, 2004 - Microsoft Corporation
25 illustrates the schema on which the **File** API is based. The storage platform
API includes a **namespace** for dealing with **file** objects. ...

Synchronizing crawler with notification source
US Pat. 6424966 - Filed Jun 30, 1998 - Microsoft Corporation
Similarly, when the **FILE** protocol is used to retrieve an electronic ... through
which other objects in the global **namespace** (or a distributed **namespace** in a ...

[APPLICATION] Method and apparatus for accessing information based on distributed **file** ...
US Pat. 11253205 - Filed Oct 17, 2005
The DFS mechanism in itself does not provide for **synchronizing** the different ...
Further, since a DFS **namespace** is managed manually, adding and replacing ...

Transactional **file** system
US Pat. 6856993 - Filed Mar 30, 2000 - Microsoft Corporation
16-18 are block diagrams representing hierarchical **file** structures and the use
of isolation directories to provide **namespace** isolation in accordance with ...

Method for providing user global object name space in a multi-user operating ...
US Pat. 6684259 - Filed Oct 11, 1995 - Citrix Systems, Inc.
The method of claim 19 further comprising the step of marking a **file** associated
with a system resource with a system global identifier to indicate that ...

[APPLICATION] Transparent **file** replication using **namespace** replication
US Pat. 10831701 - Filed Apr 23, 2004
[0042] The replication module 220 performs 320 **file** replication using **namespace**
replication as described below with respect to FIG. 5. ...

[APPLICATION] Method and system for maintaining **namespace** consistency with a **file** system
US Pat. 11000430 - Filed Nov 30, 2004 - Microsoft Corporation
An apparatus for **synchronizing** a **namespace**, comprising: a **file** system arranged
to store an object, the **file** system having a first **namespace**; ...

[APPLICATION] Searching a file open dialog using a **namespace** extension
US Pat. 11206591 - Filed Aug 18, 2005 · Microsoft Corporation
Some examples of these objects are **folders** and **files** that reside on a computer
... This **second** interface is implemented by the **namespace** extensions that ...

Operating system shell having a windowing graphical user interface with a ...
US Pat. 6061695 - Filed Dec 6, 1996 · Microsoft Corporation
The shell browser interface 122 is supported on an object which acts as a
container for views of a **namespace,** such as the **folders** 35 in a file system. ...

Method and system for asynchronous transmission, backup, distribution of ...
US Pat. 6662198 - Filed Aug 30, 2001 - Zoteca Inc.
According to one embodiment, the user/requestor/inserter simply stores **files** and
folders he/she wishes to export in the folder specified as the export ...

Integration of physical and virtual **namespace**
US Pat. 6256031 - Filed Jun 26, 1998 - Microsoft Corporation
Again, these physical directories are integrated in the **namespace** view with
virtual ... looking up **second namespace** information representing physical ...

[APPLICATION] BACKUP AND RESTORE SYSTEM FOR A COMPUTER
US Pat. 11926946 - Filed Oct 29, 2007
For example, using a **namespace** extension the Windows Explorer application can be
controlled to create a virtual folder of **files/folders**/drives in the ...

Shell extensions for an operating system
US Pat. 5831606 - Filed Dec 13, 1994 - Microsoft Corporation
File system **folders** (directories) can be taged as entry points into name space
... \Explorer\MyComputer**NameSpace** Under arbitrary file system **folders**. ...

Common **namespace** for internet and local filesystem objects
US Pat. 6678724 - Filed Jul 30, 2002 - Microsoft Corporation
... address and at least one world wide web address of a common **namespace**
structure, ... wherein the contents of the **second** directory are **files** that are
...

Shell extensions for an operating system
US Pat. 5838322 - Filed Aug 20, 1997 · Microsoft Corporation
File system **folders** (directories) can be taged as entry points into name space
... The **second** is mark a directory with the system or read only bits ...

[APPLICATION] Use of rules engine to build namespaces
US Pat. 11301071 - Filed Dec 12, 2005 - Microsoft Corporation
[0055] Node 408 may represent the Program **Files** folder or sub-directory. ... [
0057] Nodes 412, 414 and 416 may represent user **folders** or sub-directories, ...

Sort by relevance | Sort by date (new first) | Sort by date (old first)

[APPLICATION] Programming interface for a computer platform
US Pat. 10693718 - Filed Oct 24, 2003 -
... when displaying information regarding one or more **files** or **folders**. ...
A method as recited in claim 22, wherein the **second namespace** includes: a first
...

Apparatus for presenting the content of an interactive on-line network
US Pat. 5933599 - Filed Jul 17, 1995 - Microsoft Corporation
The **second** window 2300 shows the contents of a folder in the user's local file
... of the gardening folder node 204/ in the directory service **namespace** ...

[APPLICATION] Copying and updating **files**
US Pat. 11202999 - Filed Aug 12, 2005 - Microsoft Corporation
Files and **folders** are generally organized in a hierarchical **namespace** and ...
the file at a **second** address within the server with the first security policy.
...

[APPLICATION] Bypass of the **namespace** hierarchy to open **files**
US Pat. 11413225 - Filed Apr 28, 2006 - Microsoft Corporation
A plurality of sub **folders** 144a, 144b, and 144c are rooted in folder 142c which
in this example has been named "user." Further, a plurality of **files** 146a ...

Electronic mail system with methodology providing distributed message store
US Pat. 7117246 - Filed Dec 12, 2000 - Sendmail, Inc.
Second, queue control **files** are not updated "in place": rather the new state is
... The IMAP protocol provides a hierarchical **namespace** for naming **folders**. ...

[APPLICATION] Ability for developers to easily find or extend well known locations on a system
US Pat. 11096871 - Filed Apr 1, 2005 - Microsoft Corporation
These objects may include **folders** and **files** that may reside on a computer's disk
drives. A Shell organizes these objects into a hierarchical **namespace** ...

Shell extensions for an operating system
US Pat. 5844551 - Filed Aug 20, 1997 - Microsoft Corporation
File system **folders** (directories) can be taged as entry points into name space
... \Explorer\MyComputer**NameSpace** Under arbitrary file system **folders**. ...

[APPLICATION] Internal object protection from application programs
US Pat. 10938094 - Filed Sep 10, 2004 - Mircrosoft Corporation
The components also include an analysis component for determining whether the
second object is stored in the local **namespace**. The components also include a
...

Method and system for transferring data to common destinations using a ...
US Pat. 5694563 - Filed Nov 16, 1995 - Microsoft Corporation
